Why not use colourful children's style figures to welcome visitors, parents and children to your school? Let us design a bright and welcoming sign to fit above (or close to) your main entrance or gate entrances. Any sized sign can be produced to sit above pedestrian gates. Fabricated in one piece 3mm thick sheet aluminium (for best performance with no joints) and powder-coated in a colour of your choice to all sides and edges in your preferred shape and style. Full colour design printed to face side and fitted complete with a powder-coated steel frame to safely secure signs above entrance gates.

## **Description / Sketch** Please give as much information as possible
